

REMARKS

This Amendment is submitted supplementary to the previous Amendment and in connection with the interview held with the Examiner.

With the present Amendment applicants somewhat amended claims 1, 24 and 25 to clarify the construction of the stator generator of the present invention.

Reconsideration and allowance of present application is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place this case in condition for final allowance, then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, he is invited to telephone the undersigned (at 631-549-4700).

Respectfully submitted,
